File Training

1. Action Requested: It is requested that you meet with the members of the Joint Chiefs of Staff - Defense Intelligence Agency (JCS-DIA) Orientation on Wednesday, 20 June 1979, from 1530 to approximately 1615. The Orientation will run for two days, 19-20 June, in Room 1A07, Headquarters. Your remarks might cover recent developments affecting the role of the Central Intelligence Agency in the Intelligence Community, priority missions, Congressional oversight, and areas of cooperation between CIA and the military intelligence services.

2. Background: This two-day, semiannual orientation program has been running since 1954. Since 1964, the Director of DIA has run a companion briefing at the Defense Intelligence School for senior officers of CIA, JCS, and others. There will be 70 participants in the Orientation at CIA, 35 each from JCS and DIA; the majority are lieutenant colonels and colonels, lieutenant commanders and commanders, and GS-13s and above. The class members are cleared for TOP SECRET.

We consider this an important Community audience. Written evaluations by participants in past programs have been highly favorable.

3. Recommendation: It is recommended that you speak with the group for about 25 minutes and use the remainder of the time for a discussion session.
